CITY OF MIRAMAR SEWER CONNECTION ASSISTANCE ONLY

The primary purpose of the Sewer Connection Grant Assistance Program is to provide financial assistance to Miramar residents who only need assistance connecting to the City’s main sewer system. This application does not address home repair assistance.

Specifications for completing the work necessary to undertake connection to the City’s main sewer system will go out to bid to a pool of licensed and insured plumbing contractors. Contracts are awarded to the contractor with the lowest, most responsible bid. The contract for the sewer connection activity is between you and the contractor to whom the bid is awarded.

The plumbing contractor to whom the bid is awarded will be paid directly by the grant program on your behalf. At no time should you be asked by a contractor for any payment for work done under your grant award.

You are part of this project; help if you can. The contractor is responsible for the clean up of construction debris; if feasible, you could help with general broom cleaning. Protection of your personal property; e.g. furniture, clothing, appliances, stereos, etc. is your responsibility. Cover these items or make some arrangement to keep them safe.

There is no guarantee that your application will be approved as it is subject to verification under State and Federal guidelines.

I/WE have read and understand this information.
